# It's time for our **December Nursery Newsletter!**

**December Theme** This month, we are diving into the festive spirit with our theme of Christmas! It's an exciting opportunity for the children to learn about how Christmas is celebrated all around the world.

Our theme book for this month is "The Night Before Christmas" by Clement C Moore. It's a classic tale that will surely bring joy and excitement to the little ones.

The sound of the month is "t" for tree, and our theme sign is Christmas. Let's get ready to explore the magic of this holiday season!

#### **New Staff**

Let's give a warm welcome to our new staff members who joined our Monkey Puzzle family in November! Khloe is starting her childcare journey, and Anna brings experience from various fields. They are both excited to build strong relationships with our children and contribute to their growth and development.

Congratulations to Morgan, our Employee of the Month! Morgan has been doing an outstanding job at Mini-preschool, bringing joy and learning to the children every day. We appreciate her dedication and the valuable contributions she makes to our team. Thank you, Morgan!

#### Medication

As we enter the winter season, it's important to remember our medication policy. If you administer Calpol to your child at home in the morning, please keep in mind that they won't be able to attend nursery. This is to ensure their safety and well-being. If you have any questions, feel free to reach out to us or check our policies and procedures on the website.

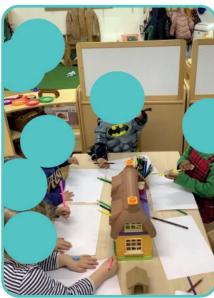

Please note that the nursery will be closed for the Christmas Break. Our last day of operation will be on December 20th, and we will reopen on January 2nd. We hope you have a wonderful holiday season filled with love and joy!

Let's take a moment to appreciate some of the fantastic learning experiences our children had in November. They explored animal homes and habitats, created their own bird nests, and even got creative with fireworks-inspired artwork. We're proud of their curiosity and enthusiasm for learning!

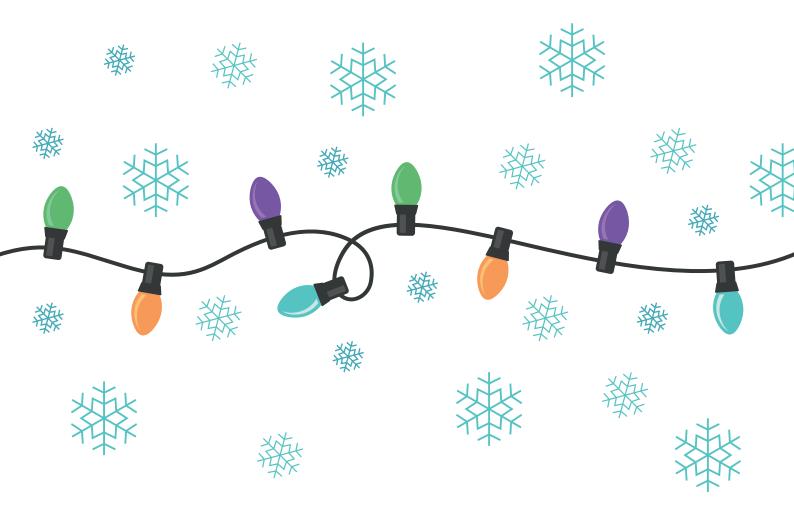

Looking for some fun activities to do at home? Here are a few ideas to support your child's understanding of our Christmas theme:

- Elf on the shelf
- Creating Christmas gift lists
- Making Christmas cards and decorations
- Building snowmen with marshmallows
- Taking a walk in the community to talk about and the festive lights and decorations
- Sharing Christmas stories together, such as "Stickman," "The Nativity," and "The Snowman"

Calpol/Nurofen

If a child is presenting a fever, we will try to bring it down naturally however if

medication is required this can only be administered once during the child's session
at nursery. In this case, if a child has longer than 4 hours left of their session we
will ask for the parents to arrange collection for the child. This is due to only being
able to administer the medication once; if the child has a fever after the medication

has worn off we would be unable to give them anymore.

If a child has arrived at nursery after having Infant suspension the same day, they will be unable to attend that day's session. This is for the same principles as the previous

policy. We apologise for any inconvenience caused.

**Conjunctivitis** Children will be excluded till they are fully clear of infection and free of any discharge.

Any eye prescriptions may only be administered after 48 hours.

**Prescribed Medication**Children must be on medication for a minimum of 48 hours before returning to nursery. Medication can only be administered after the 48-hour exclusion even if

your child has previously had the medication.
